MEET THE HOST

ERIN & RUSS DOWNS

We love diversity, culture, art, creatives and sports! We thrive on the essentials: good food, the rhythm of music, warm weather, and the bliss of a beach or pool day. Side note: Asbury Park at the Jersey Shore is only 45min away!

We live in the penthouse above the unit you are booking, along with our 60-pound rescue pitbull, Gigi. She's very friendly with people, though she can be selective with other dogs -but no worries we avoid all interactions. Gigi loves to play, and while she mostly stays active during the day, you might hear her trotting around or playing with her toys until about 9 PM.

Our household typically winds down by 10 PM on weeknights, though weekends can be a bit more lively, and on rare occasions, gatherings might extend past midnight. We're early risers, usually up by 5-6 AM, and we run our business from home, so we stay active throughout the day into the evenings.

Please also be aware that our penthouse is sometimes booked by major networks for photoshoots, videos, or commercials, as well as by other Airbnb/Vrbo guests, which can create a bit more activity upstairs.

Our travel tales weave through the vibrant streets of Dubai, the enchanting landscapes of Greece, the bohemian charm of Tulum in Mexico, the spirited vibes of Colombia, the breathtaking beauty of South Africa, the timeless allure of Cuba, and the sun-soaked shores of the Caribbean. Whether jet-setting together or welcoming friends along for the ride, our adventures are guided by a steadfast commitment to cleanliness, secure surroundings, high-speed internet wonders, and a location that puts transportation, shopping, dining, and nightlife at the forefront.

As Airbnb hosts, our mission is simple yet profound – to provide a clean, comfortable environment and to create an unforgettable experience for solo travelers and couples, and small groups alike! Join us in the heart of Jersey City, where our hometown hospitality meets your journey. We're eager to welcome you to the Liberty Suite, where every stay is not just a visit but a chapter in our shared adventure!
